Form 990, Part III, Line 4a - First Accomplishment

DFKDC Clinics are adaptive clinics held once or twice a month for youth with disabilities. Through our events, those with physical and developmental disabilities are able to come off the sidelines and unite with their peers. Many of these children have been bullied in schools, and are left out of activities with able-bodied children. The empowerment and self confidence gained through the clinic will carry over from the field to the home, classroom, and the community, allowing them to realize that their disability will not prevent them from fulfilling their dreams. Each child is partnered with a volunteer to learn the essence of teamwork, have a mentor, and also bond over a sense of camaraderie. In light of COVID-19, we have migrated from in-person clinics to hosting 100% free digital clinics for youth and young adults with physical and/or developmental disabilities. DFKDC Digital Clinics follow the same concept of our in person clinics; moreover, provide an outlet to connect our community during the quarantine.

DFKDC Mentorship Program and Your Path to Success:

DFKDC's Mentorship program provides communication, leadership, and vocational skill building for young adults with developmental delays and /or physical disabilities in the DC area. The program concept derived from the need to provide DFKDC participants with resources to expand and grow after their time in DFKDC clinics. Over the course of three months, the

program offers participants both skill-building workshops on topics such as resume development, interviewing, and formal e-mail communication as well as off-site group community services projects,site visits to places that employ those with disabilities, and opportunities to network. We seek for participants to walk away with meaningful relationships, new confidence and real skills that allow them to pursue independence and gainful employment.
